

Pure Water

FOR THE WORLD

Dedicated to Safe Water, Sanitation & Hygiene for All.

ANNUAL REPORT 2020

BOARD STATEMENT

Fiscal year 2020 (July 1, 2019–June 30, 2020) began with excitement about advancing our work and impact in Honduras and Haiti. What we couldn't anticipate was the onset of the COVID-19 virus and the subsequent and unprecedented pandemic that upended lives across the globe.

With the start of the pandemic, PWW team members strengthened their conviction to help the people of their countries, quickly taking proactive steps to pivot programs and resources in order to appropriately address the emerging global emergency and protect the health of children and families.

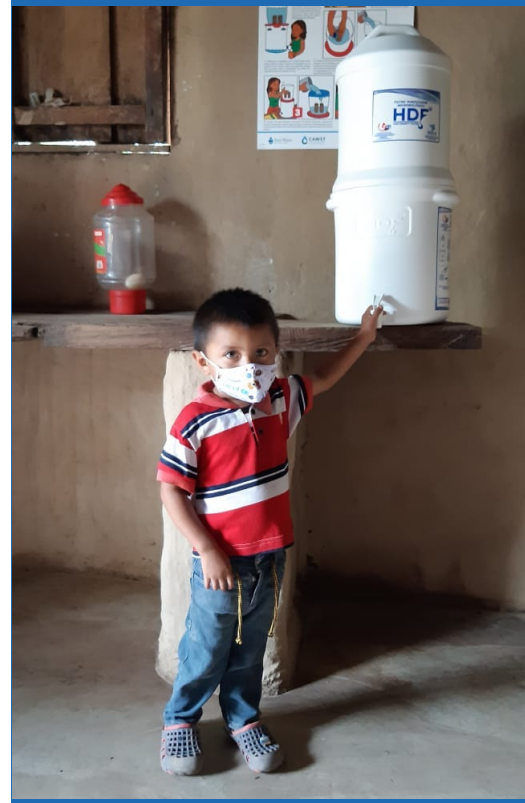

PWW teams established themselves as “essential workers” in their communities, enabling them to continue to deliver safe water, sanitation and hygiene education programs to community members.

PWW training team members shifted in-person trainings to online platforms, as much as was possible, and created public service announcements (radio and television) as well as instructional videos and posters to demonstrate proper mask-wearing and handwashing. They partnered with local health centers to provide trainings to community members about safe and healthy hygiene practices. They even engineered a new touch-free handwashing station, to further support sanitary practices.

We are extremely proud of the response our team demonstrated and the resulting impact they were able to make, in spite of extraordinary circumstances. And, through this tumultuous time, our supporters and donors remained generous and steadfast.

On behalf of PWW's Board of Directors, we extend our heartfelt gratitude. We wish you and your loved ones good health and prosperity now and in the days ahead. Thank you.

ROBERT MOHR
Board President

2020 IMPACT HIGHLIGHTS

COMMUNITY PARTNERSHIP

- 9 rural communities
- 10 community schools
- >3,300 people reached with WASH programs

EDUCATION

- 2,385 family members received hygiene education training
- 103 Community Agents received comprehensive training
- 9 WASH Training Workshops; 161 participants
- 631 Water Quality Tests
- >150,000 people reached with COVID-prevention Public Service Announcements via television and radio.

TOOLS

- 345 bio-sand water filters in homes/schools
- 64 latrines at homes
- 9 School WASH Stations (latrines + handwashing stations)
- 4 Rainwater Harvesting Tanks (schools)
- 5 km of piping from water source to schools
- 7 emergency WASH stations
- 410 tests in the water quality lab

FOLLOW-UP

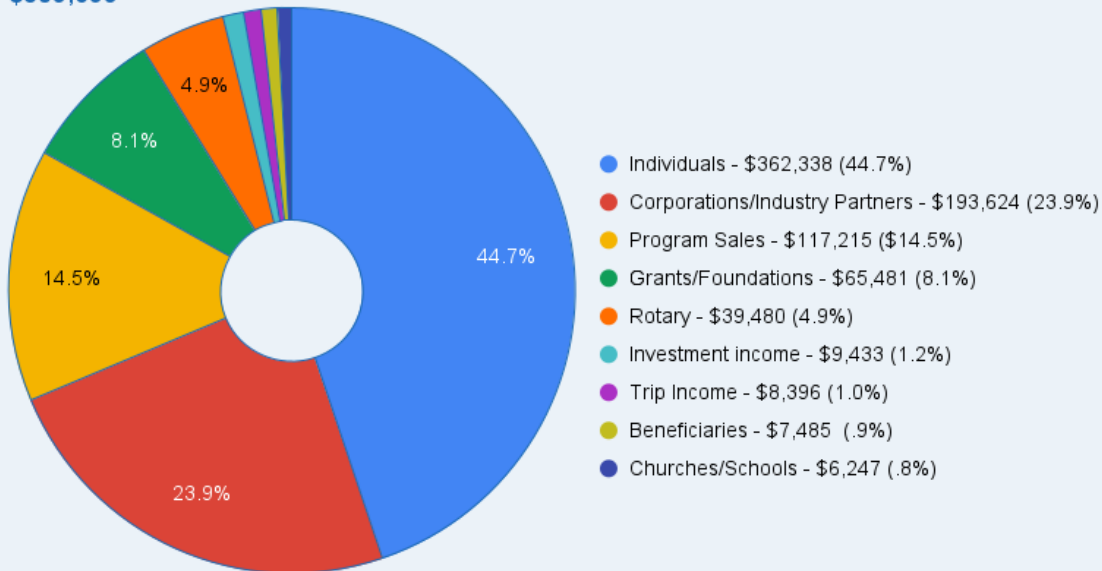

- 43 schools monitored
- 352 homes monitored/supervised

FINANCIAL OVERVIEW

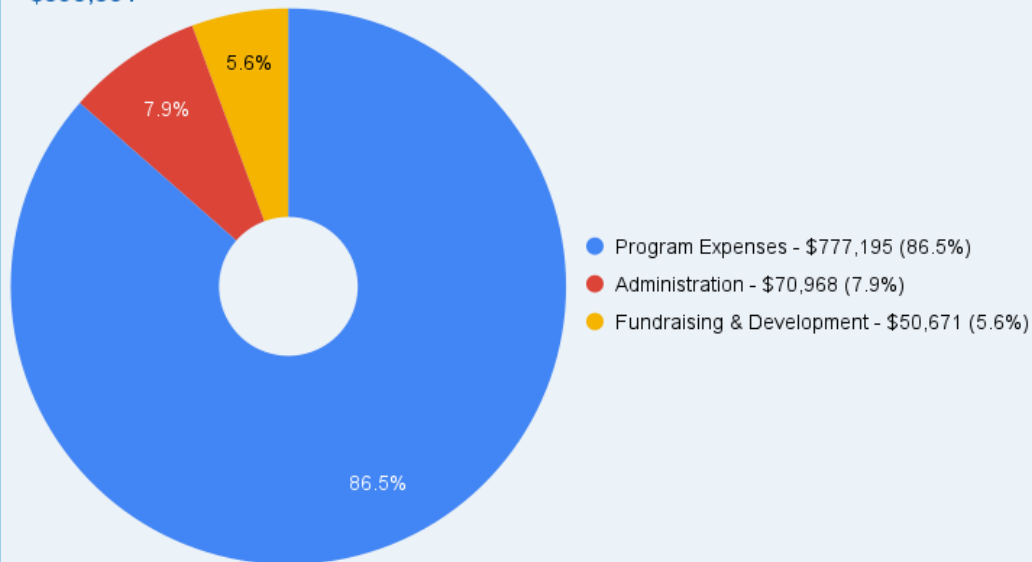

Income

\$809,699

Expenses

\$898,834

Financial Position

- **ASSETS: \$789,951**
- **LIABILITIES: \$164,407**
- **NET ASSETS: \$715,042**

VISION & MISSION

For more than 20 years, we have held the vision of a world in which all people have safe water, proper sanitation and the knowledge to sustain it for future generations.

Our mission is to improve lives by empowering people with access to life's most basic necessities: safe water and sanitation.

We do this by partnering with underserved communities, in Central America and the Caribbean, providing the tools and education to establish sustainable safe water, hygiene and sanitation programs.

JOIN OUR MISSION

Through the provision of safe water and sanitation tools and extensive hygiene educational training, we continue our commitment to end the senseless suffering, illnesses, and deaths among young children and their families caused by preventable waterborne diseases. Your support makes this life-changing work possible. We invite you to join us in our mission.

- Make a donation.
- Become a *Pure Water Warrior*. Join our monthly giving program.
- Planned giving: create your legacy.
- *Ride for Safe Water*. Or, start your own fundraiser.
- Deliver lasting change. Join us on a service trip.
- Volunteer.
- Donate your unwanted vehicle.
- Give In-Kind.
